## Professional Summary

Computer Science graduate currently pursuing a Master of Computer Applications (MCA), with a strong foundation in Java, C, SQL, and object-oriented programming. Experienced in AWS cloud computing, machine learning, and REST API fundamentals. Skilled in problem-solving, data structures, algorithms, and developing practical software solutions. Passionate about software development, cloud technologies, and building innovative applications.

## Technical Skills

**Programming Languages**: Java, C, Python (Basic), HTML

**Core Computer Science Concepts**: Data Structures, Algorithms, Object-Oriented Programming

**Databases**: SQL, Java Database Foundation (Oracle Academy)

**Tools and Platforms**: Git, AWS (EC2, S3), MS Office Suite

**Other Skills**: REST APIs, Cloud-Native Applications, Debugging, Troubleshooting, SDLC Fundamentals

## Internship Experience

**AWS Cloud Computing Intern**
*Cloud Computing*

- **Cloud Services**: Gained hands-on experience with Amazon S3 and EC2, deploying and managing scalable cloud applications.
- **Cloud Architecture**: Applied cloud-native architecture and distributed computing principles to understand storage and compute efficiency.

**Machine Learning Intern**
*Ulearn Company*

- **Insurance Price Prediction**: Developed an insurance price prediction model using Python and regression algorithms.
- **Data Processing**: Applied data preprocessing techniques and machine learning workflows to improve prediction accuracy and automate decision-making.

## Projects

**Cineverse Platform**
*Collaborative Film and Talent Platform*

- **Platform Development**: Created a collaborative platform where artists can showcase their skills, connect, and initiate film projects.
- **Talent Discovery**: Implemented profile-based talent discovery and skill matching to support collaboration across creative domains.

## Education

**Master of Computer Applications (MCA)** 2025 – 2027
*Aditya Degree & PG College, Gopalapatnam*

**Bachelor of Science in Computer Science** 2025
*Aditya Degree College, Visakhapatnam* *Percentage: 72%*

## Certifications

- **Cisco**: Certified in C Programming
- **Oracle Academy**: Java Foundation Certification
- **edX**: Java Database Foundation Certification
- **Pearson Me Pro**: English Language and Communication Skills

## Behavioral Skills

- Leadership and Team Collaboration
- Quick Learner and Self-Motivated
- Strong Problem-Solving and Analytical Skills
- Written and Verbal Communication

## Languages

English (Fluent) Telugu (Native)
